ABOUT THE EVENT

The 2nd Edition of Power & Elec Zambia, the Largest Power, Energy, Electrical, Electronics, Renewable, Solar and Transformers International Exhibition in Zambia will be taking place from the 28 - 30 October, 2026 at the New Government Complex Conference Centre, Independence Avenue, Lusaka in Zambia. The exhibition will be the gateway to the Business Community of Zambia.

The event will be hosting Power & Elec Professionals, Importers & Exporters, Wholesalers and Decision Makers of the South & Central African Region in Zambia. Exhibitors from around 10+ countries will be participating in this exhibition looking to explore the untapped potential of the Central Africa Market.

It is one of the shows in the umbrella of upcoming shows being organised in the Central African Belt. The show is organised by Exhibitions & Trade Services India Private Limited, India along with the local associations and bodies based in Zambia.

Power & Elec Zambia International Expo will have participation of more than 125 exhibitors with the total area occupied by them being around 3000 SQM. More than 3000 visitors from Zambia and the South & Central Africa Market will be attending the exhibition during the three days.
